How to work these buyers

1 / INTRODUCE	2 / WATCH	3 / MEET
Contracting, small business office, mission owner and partners.	New Sources Sought, RFIs and industry days.	Use one-on-ones and events to validate the path.

BUYER 1 / WORKED IN FULL

Spectrum Architectures, Data & Planning Services

Defense Information Systems Agency. Studies and engineering support for DISA's spectrum architecture, spectrum data and spectrum planning work.

HELD BY	Riverside Engineering LLC	VEHICLE	Multiple-award IDIQ HC104719D2035
SET-ASIDE TYPE	None reported on order	VEHICLE NEEDED	HC104719D2035 holder or teammate
COMPETITION	Full and open; fair opportunity; 2 offers	ORDER VALUE	$900,878
PERFORMANCE ENDS	Feb 25, 2027	RECOMPETE WINDOW	Follow-on planning likely now (estimate)

What this means

Only holders of IDIQ HC104719D2035 can prime this order. A non-holder would need a holder or teammate. DISA posted a Sources Sought with a draft PWS before the current order, which makes the prior notice useful relationship context without proving a future action.

Your next step: Confirm the follow-on with contracting

CONTRACTING	Published acquisition contact from the July 2025 Sources Sought. Historical - verify current role.
SMALL BUSINESS OFFICE	DISA Office of Small Business Programs. Current office; requirement role unverified.
MISSION OWNER	Prior COR named in task-order documents. Candidate; current responsibility unverified.
POTENTIAL PARTNER	Riverside Engineering LLC holds the current order through February 2027.

Ask first

"Was order HC104726F0016 the follow-on to HC104721F2001, and when is the next action on this requirement planned?"
